

Cleaning Tips for preparing for a new arrival

Sleep is something you take for granted before you have a baby, and something you can only dream about when your new baby arrives! Make the most of precious time to yourself when your new baby is sleeping. Treat your home to a full top to bottom clean with Merry Maids leaving you to rest, safe in the knowledge your home is beautifully clean and free from harmful bacteria.

The Merry Maids service can eliminate hazardous bacteria germs, combating superbugs such as E Coli, MRSA and C-diff? It is an important time to ensure protection through cleaning and hygiene whilst your new baby's immune system is developing and your body is still recovering from childbirth.

Barbara Roberts of Merry Maids UK explains 'It's so easy to think that while your new baby sleeps you must start vacuuming, dusting, polishing, etc but what we really should do is use this time to catch up on some much needed rest ourselves!' with over nearly 100 businesses nationwide Merry Maids are the UK's largest domestic cleaning company. Merry Maids can be relied upon to carry out a trusted and professional service and will offer anything from a one off clean to a regular weekly, bi weekly, fortnightly or monthly clean all to the same fabulous high standard.

The result? A spotless home leaving you safe in the knowledge that your nest is germ free without you having to even lift a finger!
